## Oak Hammock's Campus Speed Limit Anthony J. Lopiccolo, Director of Plant Operations

Hello Oak Hammock community,

This is a reminder that the speed limit throughout the Oak Hammock campus is **15 miles per hour**.

We have had a number of speedier drivers recently and felt this reminder was necessary.

Security Chief **Derrick Smith** and his team will be monitoring traffic daily and issuing tickets to those who do not comply with the speed limit while operating a motor vehicle.

There is a policy that anyone who receives more than one speeding ticket may be banned from driving on campus in the future.

Please share this message with others who visit our campus, so they are aware in advance of the speed limit, as well as the speeding ticket policy.

We appreciate your understanding.

Thank you,

*Anthony J. Lopiccolo Jr.*
