New Salon Provider Coming to Oak Hammock Katherine Osman, Community Services Director

Dear Oak Hammock residents,

We are excited to share some important news regarding our salon services. Over the years, we have greatly valued our association with "All About You" and their team of stylists and nail technicians. However, as part of our ongoing efforts to enhance our services, we have decided to partner with a new salon services company.

We are pleased to announce that PS Salon & Spa, the leading provider of salon and spa services for senior living communities in the United States, will partner with Oak Hammock to provide you with the best possible salon experience.

Effective Thursday, August 22, PS Salon & Spa will assume all managerial responsibilities for our campus salon team and spaces, excluding the barbershop, which will remain independent. PS Salon & Spa is renowned for its excellent management practices and dedication to resident and employee satisfaction.

Both the Independent Living and the Health Pavilion salons will be closed from August 22 through September 4 so that we can refresh the spaces and prepare for new services. PS Salon & Spa will be introduced to the community at an upcoming event.

As we make this transition, our goal is to ensure a seamless and positive experience for you. Rest assured that the current salon staff members have been encouraged to explore the opportunities available with PS Salon & Spa. We are confident that PS Salon & Spa will continue to provide the high-quality services you expect and deserve.

Please see the link below this email for a menu of services and pricing changes that will take effect with the transition.

Should you have any questions or need further assistance during this transition period, please do not hesitate to contact me at kosman@oakhammock.org or 352-548-1008.

Sincerely,

Katherine Osman

Katherine Osman

Community Services Director, Oak Hammock at the University of Florida
